An Overview of the Budget Process

The Town of Pomfret typically follows these general guidelines in determining the budget that is presented each year at Town meeting. Every effort is made to provide numerous opportunities for public input before the final budget is put up for a vote.

<u>On or About</u>	<u>Action</u>
February/March	Board of Selectmen and Board of Education review and approve their budgets to initially present to the Board of Finance. Meetings are open to the public.
Mid-March	Board of Selectmen and Board of Education present initial budgets to the Board of Finance for consideration. Meeting is open to the public.
Late March thru Late April/Early May	Board of Finance holds various Workshops and/or Public Forum to review budgets and receive public comments, questions, and concerns. A Public Hearing is then scheduled where budgets as proposed at this point are presented to the public and the floor is opened for public comments and questions.
April	Board of Selectmen, Board of Education, and Board of Finance hold regular scheduled meetings where any budget input that has been received by the public may be considered.
Late April/Early May	Board of Finance schedules a Special Meeting to make any recommendations to the Board of Selectmen and the Board of Education in terms of changes to their budgets as proposed up to this time.
Early to Late May	Annual Town Meeting where final budgets are presented to the public. These budgets are then called to a final <i>VOTE</i> – <i>or the Meeting is adjourned to a REFERENDUM.</i>

Exact dates vary year to year. Regular meeting schedules are determined in January of each year and are posted on-line at www.pomfretct.gov and at the Pomfret Town Hall. General Government Budget - 2008/2009 thru 2014/2015

BUDGET HIGHLIGHTS

This budget is intended to provide you with information to evaluate the Town's proposed 2014-2015 spending plan. You will find a great deal of line by line detail and graphs in an effort to give you as much information as possible. Budgets from 2012-2013 and 2013-2014 are included historical comparison.

The graph above shows the last six years of General Government budgets (*including Debt Service*) as well as the proposed 2014-2015 budget. The General Government (aka Selectmen's Budget) is \$50,000 higher than seven years ago. That equates to approximately a \$7,000 increase annually, but as the graph illustrates, the budget was lower in 2011, 2012, and 2013. We have worked diligently to maintain services while reducing or minimally increasing taxes to respond to the recent economic climate.
