

# TOWN OF POMFRET

---

Dear Pomfret Resident,

The Town of Pomfret is excited to introduce the new Solarize Pomfret program to our residents. This is a great opportunity for homeowners to go solar. Solarize Pomfret is able to offer solar energy to homeowners at discounted pricing.

**Being part of Solarize Pomfret has many benefits. Among them:**

- **ACCURATE, UNBIASED INFORMATION ABOUT SOLAR:** Solar education that is easily accessible from a neutral non-profit.
- **COMPETITIVELY SELECTED SOLAR INSTALLER:** A screened and selected reputable solar installer. Our community chose Sunlight Solar for this program.
- **DISCOUNTED PRICE:** A set, discounted price offered by our town-selected installer, Sunlight Solar.
- **FINANCING:** Zero down financing is available. Sunlight Solar will review all the financing options with you in your solar evaluation.
- **INCENTIVES AND TAX CREDITS:** A 30% federal tax credit is available. The CT Green Bank also offers an incentive for CT solar installations. Solar installations are sales and property tax exempt.

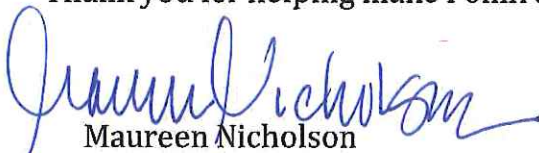

**To find out more about the program:**

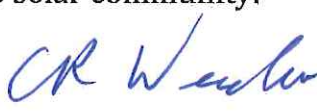

- **Sign up for a no cost, no obligation home evaluation at [Solarizect.com/Pomfret](http://Solarizect.com/Pomfret), to find out if your home is good for solar.**
- **Join us at a Solarize Pomfret launch workshop on:**

**Tuesday, April 10, 7 pm – 8:30 pm**  
**Pomfret Community School Cafeteria**  
**20 Pomfret Road, Pomfret Center**

Over 85 communities in our state have participated in this program with over 2,650 homeowners going solar through Solarize Connecticut. By joining **Solarize Pomfret**, you'll help our community reach our energy goals. Don't miss this great opportunity to be part of this exciting Pomfret project. The deadline for Solarize Pomfret is August 14, 2018.

Thank you for helping make Pomfret a cleaner, more solar community!
