XIII. SUBDIVISIONS APPROVED BY PLANNING AND ZONING:

XIV. COMPLAINTS/CONCERNS RECEIVED BY THE COMMISSION:

- A. **Stephen Kulzyck, 128 Holmes Road.** There is a new man-made pond that has been created; there is erosion affecting wetlands downstream, and there is a dumping area. Jamie went to look at property. It was brought to the commission's attention that this property is going into foreclosure. As a NOV was never placed on the property, a caveat cannot be placed on the land records. Ryan explained that the outflow out of the lower pond is causing erosion and it needs a plunge pool. Jamie went to the property to site visit but no one was home (1/4/17). Leave on agenda.
- B. **Lance Sistare, Wolf Den Road,** field is stable. Jamie wants to walk site in the spring. Possibly create a buffer near the wetlands due to grading being so close to the wetlands. Staff will work with him during cutting season. Site is stable and Staff is tracking project. Will check in the spring (1/4/17). Leave on agenda.
