- IX. NOTICES OF VIOLATION/CEASE AND DESIST ORDERS:**
 - A. Outstanding NOV (Notice of Violation)**
 - 1. Deborah Simpson, 64 Hampton Road.** NOV issued 1/26/15 for work in a regulated area. Approved with conditions (7/1/15). Nothing new (4/5/17). Leave on agenda.
 - 2. Gayle Champagne, 39 Bosworth Road** – NOV issued 5/2/14 for work within the upland review area. No new information from landowner. Still waiting to hear from Army Corps of Engineers. The caveat on this property was placed on the land records on 6/2/16 with an effective date of 6/1/16. Glenn Johnson, who holds the mortgage on the property, saw that there was a lien on the property and came to the meeting because he is looking to sell the mortgage and wanted to know what needs to be done. He said he contacted Gayle and she had him contact Ryan. He then contacted the Army Corps of Engineers. They sent a letter to him regarding the property saying that they were not taking control of the situation and were deferring action to the Town. He wanted to know the solution to the problem – what can be done to expedite it? He needs to sell the mortgage on the property and would like to be able to sell the mortgage with no issues. If Staff confers with Army Corps of Engineers, then the commission will decide on the action to be taken. It would be best to have Gayle submit an application for a permit and go from there (4/5/17). Leave on agenda.
- X. JURISDICTIONAL RULINGS:**
- XI. AGRICULTURAL ACTIVITIES:**

XII. PRIOR APPLICATIONS WITH CONDITIONS:

- A. **Moon et. al., Peter, 596 Pomfret Street**, single-family home 3/08. Application was approved with 10 conditions. New application was approved 1/7/15 with one additional condition. Jamie is working with Mr. Dash and Atty. St. Onge to get the permit transferred (4/5/17). Leave on agenda.
- B. **Hull Forest Products, 101 Hampton Road**, install 12' gravel drive and create round log storage area which will require filling of 4,035 square feet of wetland soils (approved 3/2/11 with 24 conditions). Jamie did a follow-up site visit. Everything is done for the season. Will check in the spring (4/5/17). Leave on agenda.
- C. **Raja Fattaleh, 62 Angel Road**, re-new expired permit. Vehicles went in and did some work prior to approval. The site is under construction. Received a request from M. Mazzola to release the bond for this application. The commission stated that there are outstanding issues regarding this application. D. St. Martin made a motion for Staff to do a tick sheet and make sure everything is completed and fulfilled prior to the bond being released. P. Safin seconded and it was approved. Waiting for as-built (4/5/17). Leave on agenda.

XIII. SUBDIVISIONS APPROVED BY PLANNING AND ZONING:

XIV. COMPLAINTS/CONCERNS RECEIVED BY THE COMMISSION:

- A. **Stephen Kulzyck, 128 Holmes Road**. There is a new man-made pond that has been created; there is erosion affecting wetlands downstream, and there is a dumping area. The property is now in foreclosure. Jamie hasn't had a chance to follow-up (4/5/17). Leave on agenda.
- B. **Lance Sistare, Wolf Den Road**, field is stable. Jamie wants to walk site in the spring. Possibly create a buffer near the wetlands due to grading being so close to the wetlands. Staff will work with him during cutting season. Site is stable and Staff is tracking project. Will check in the spring (4/5/17). Leave on agenda.
- C. **Longmeadow – (8/3/16)** J. Folsom felt that this has never been a Wetlands issue, but a hazardous spill issue. This will be left on the agenda just from a wetlands perspective (4/5/17).

- XV. NEW COMPLAINTS:** Jamie went to the property across from the Blue Victorian, which is not owned by the Gardner's who have a tenant living there. The tenant has cut the Japanese knot wood from the bank. Jamie will be checking the property for the next few months.
