Current Business: Members discussed having a social party for the 3rd to 5th graders at the school such as dancing, crafts and games. Maybe a “*March Hop*”!! Kerri is checking with the school for available dates.

Recreation Scholarship: Kerri wrote the question for this year’s scholarship award: “What or whom has inspired you to volunteer and why do you feel you should be chosen for this award.” All members approved.

Recreation Commission received a request for a croquet court at the Recreation Park. Kerri wrote to Maureen Nicholson, our 1st selectman to see our duties and responsibilities as a commission. Upon discussion on this matter, Steve’s recommendation is that the Recreation Commission believes that an appropriate board should develop a master plan for the use of the Recreation Park and associated fields/court. Steve moved to adopt this as the opinion of the Commission. Bev seconded. All approved.

Our next meeting will be Jan. 8th, 2013 at PCS in Teacher’s Lounge, 7:00 pm.

Respectfully submitted,

Muriel Mrakovich
Secreatary
