Current Business: Meeting was updating our upcoming Positively Pomfret Day. Members and volunteers needed for all our games and food booth. We should have Young Marines, students from Woodstock Academy, Boy Scouts and members of the Fire Dept. to help. Pomfret 300th will be having a "Photo Booth" this year along with artisans demonstrating their 17th century crafts.

Other Business: Will not be doing a N.Y. City trip this year as we would have to charge more for our size town than others around. We would have to charge \$55 based on 30 seats while other towns are charging \$40 based on a full bus. Otherwise, we would be losing \$ on this trip.

Before School Soccer start Sept. 9th ; Men Basketball starts October 7th; Pilates Classes start Sept.18th.

Our next meeting will be October 8th at 7:00 pm at PCS.

Respectfully submitted,

Muriel Mrakovich
