**DRIVE**

**April 15 & 16, 2016**

**9 am – 3 pm**

**Nora Lane, Pomfret**  
**(Route 101, Paquette Electric entrance)**

Project Graduation is a parent organized event that takes place immediately following Senior Class Night, Friday before graduation. Through funds raised during the year, the Project Graduation Committee organizes an overnight celebration for the senior class. The intent is to provide a substance free fun filled event, so that our seniors will enjoy a last night with their peers, celebrating their hard work before heading off on their future endeavors.

We want ALL of our kids to be present at their own Graduation.
