After School Stay and Play is a co-ed program for children in grades 1 and 2 and grades 3 and 4. It is essentially a physical activity program focusing on cooperative team effort. The children will be participating in games similar to gym class along with new games, relay races and team obstacle courses. Each child will be offered a drink and a snack during the class (included in the fee). If your child has special food needs or is finicky, please send along a snack and drink for him/her. Pick up will be in front of the gym promptly at 4:30 pm. Class size is limited, register early.
