Pomfret Producers Panel Q&A

Chat with our Pomfret Producers Panel for a Q&A Session.
Get all your questions answered to fuel your successful homesteading adventures.
Pomfret Producers Panel 1:15-2:00

We-Lik-It Ice Cream
Saturday, May 15th 12:00-2:00
Rain or Shine!

If you ever wanted to grow a giant pumpkin or have burning questions about your garden or farm, save this date!! On Saturday, May 15th the Pomfret Agricultural Commission will be holding a Giant Pumpkin Growing Workshop followed by an opportunity to ask questions of the Agriculture Commission's experienced panel.

Alex grew the largest pumpkin in New England in 2019, the last year of competition, and the second largest pumpkin in the world that year! It weighed in at 2,294.5 lbs. In addition to learning the secrets of growing a great pumpkin, attendees will receive a seedling to grow their own giant pumpkin seedling!

RSVP requested, but not required, for planning purposes to: jr9828k@gmail.com
