Board of Education Proposed Operating Budget 2019-2020

The budget development process began in October with the presentation of the 2019-2020 Budget Development Calendar to the Board of Education. In October, budget preparation documents were distributed to staff for submission by November 9, 2018. All proposed staffing requests were reviewed with the Principal and the Director of Special Services. In December, all budget requests were reviewed with administrators and program managers.

The business office developed salary and benefit accounts according to contractual obligations. Insurance calculations are estimates based upon an initial quotation from our insurance broker. Maintenance items and utility calculations were also prepared by the business department. I appreciate the efforts of all of our administrators and staff for their hard work and cooperation in the budget development process.

The initial requests by administrators and staff reflect their understanding of the economic climate as well as the needs of their students. This budget proposal is also reflective of the demands of quality educational programming and the unique needs of a number of our students.

As a result of the initial budget review process, the Superintendent's Proposed Budget for 2019-2020 was \$10,429,318 which was a proposed increase of \$356,424 or 3.54% over the current year. The Board of Education reviewed the proposed budget at its regularly scheduled meeting of January 23, 2019 and also at a Budget Workshop on February 13, 2019. At the conclusion of deliberations at its regularly scheduled meeting of February 27, 2019 the proposed budget was reduced by \$45,861 producing a Board of Education Proposed 2019-2020 Budget of \$10,384,575 an increase of \$311,681 or 3.09%. The Board of Finance reviewed the proposed budget from mid-March through early April. Upon completion of its review, the Board of Finance directed the Board of Education to remove the newly assessed Capital Fee at Woodstock Academy of \$79,620 from its budget as it would be paid from the town's general fund so as to avoid possible future issues related to the State of Connecticut's minimum budget requirement. The Board of Finance further directed the Board of Education to reduce their proposed budget by an additional \$150,000. The Board of Education authorized this reduction at its regularly scheduled meeting of April 24, 2019. As a result, the Board of Education approved a proposed 2019-2020 budget in the amount of \$10,154,955 which is an increase of \$82,061 or 0.81%.

There are six (6) accounts with an increase of more than \$10,000 and four (4) accounts with a decrease of more than \$10,000. Those accounts are:

| Account | Inc./Dec. | Account % | Budget Impact |
|---------------------------|------------|-----------|----------------------|
| 280 Health Insurance | \$39,081 | 5.00% | 0.39% |
| 111 Certified | \$22,349 | 0.85% | 0.22% |
| 561 Tuition | \$18,511 | 0.54% | 0.18% |
| 510 Transportation | \$18,224 | 2.59% | 0.18% |
| 110 Support Staff | \$11,842 | 1.98% | 0.12% |
| 810 Dues & Fees | \$11,065 | 25.14% | 0.11% |
| 230 Retirement/Pensions | (\$35,293) | (37.32%) | (0.35%) |
| 730 Capital Equipment | (\$20,277) | (30.90%) | (0.20%) |
| 340 Professional Services | (\$16,260) | (17.80%) | (0.16%) |
| 112 Teaching Assistant | (\$10,022) | (4.12%) | (0.10%) |

Health Insurance - The initial premium quotation submitted by Anthem is a proposed increase of 13.79%. The account at this time is budgeted at a 10% increase. The account, however, shows an increase of only 5% due primarily to changes in personnel and employee participation in the health insurance program. The district and the town have put health insurance out for bid in an attempt to reduce the premiums. At this time this account increases the entire budget by \$39,081 or 0.39%.

Certified - The account contains the contractually required increase for staff salaries for 2019-2020. There are no requests for additional positions for 2019-2020. *The account does factor in a reduction of one certified staff position.* This account has an increase of 0.85% and it increases the entire budget by 0.22%.

Tuition - The entire tuition account contains an increase of \$18,511 which is an account increase of 0.54% and increases the entire budget by 0.18%. The account has ten (10) sub accounts. The Woodstock Academy Special Education tuition account has an increase of 91,968. The number of Pomfret resident special education students enrolled at the Academy has increased by five (5). In addition, the total number of identified special education students at Woodstock Academy has decreased by seven students which further increases the per pupil cost. The Woodstock Academy Regular Education tuition account has an increase of \$26,805. The number of Pomfret resident students attending Woodstock Academy has decreased by four (4). However, the per pupil tuition has increased by 3.65%. Woodstock Academy introduced a new Capital Fee this year of \$493 per student. This will initially be a two year fee to cover the cost for underground tank removals and a roofing project. The Capital Fee will be paid from the town's general fund to avoid possible future issues related to the State of Connecticut's minimum budget requirement. As a result, total budgeted tuition at Woodstock Academy for 2019-2020 has increased by \$118,733. Please note that the tuition increase for Woodstock Academy of \$118,733 is significantly larger than the total budget increase of \$82,061.

Funding for the proposed new tuition accounts for Putnam High School and Killingly High School was eliminated as part of the budget reduction process. The Special Education out-of-district tuition account has a decrease of (\$77,685). Tuition at Killingly Vocational Agricultural Program has a decrease of (\$20,469) while the magnet school tuition has an increase of \$4,058. The entire tuition account contains an increase of \$18,511.

Transportation - The transportation account contains an increase of \$18,224 which represents a 2.59% increase for this account and increases the entire budget by 0.18%. The primary driver is the contractual increase of 3% for transportation services. There is also an increase of \$4,270 in out-of-district transportation for the special education program.

Support Staff - This account proposes a 2.5% increase in wages for current staff. This account increases the entire budget by 0.12%.

Dues & Fees - This account, as presented, has an increase of \$11,065. The district's CEN/ISP service of \$7,800 went unbudgeted last year. In addition to the school, this service also provides internet and phone service to the town. \$1,733 has been budgeted for *Software Techniques* which is a new time keeping system. Our current system crashed. There are several new subscriptions included for 2019-2020. They are: Sublime Text Editor (\$1,625); Custom VMware Support (\$1,146); Cloud Migration for the library (\$800); and Soundtrap for Education for the Music Dept. (\$657). In addition, there are several price increases.

Retirement & Pensions - This account has a decrease of (\$35,293) or (37.3%). There are no certified staff retirements this year. One participant's benefits will end in the next budget. This account decreases the entire budget by (0.35%).

Capital Equipment - This account is based upon staff requests and building needs. The account has a reduction of (30.9%) and reduces the entire budget by (0.20%). Several items were pre-purchased and thus eliminated from the budget. Also, Principal Susan Imschweiler applied for and received a grant in the amount of \$5,000 from Big Y which was used to purchase Chrome Books allowing the budget request to be reduced by \$5,000.

Professional Services - The e-mail migration project which significantly increased this account last year has been completed. There is also a reduction in legal, auditor, and payroll services. Thus, the account has a decrease of (\$16,260) or (17.80%). This account decreases the entire budget by (0.16%).

Teaching Assistant - The account as proposed contains the required contractual increase but does have a proposed reduction of one position. Thus, the account has a decrease of (\$10,022) or (4.12%). This account reduces the entire budget by (0.10%).

This budget as proposed provides continued funding for professional development and curriculum writing that is closely aligned with researched-based standards. It also provides for required instructional materials as requested by staff. The Capital Budget request for \$40,000 for on-going carpet replacement, a steamer for the cafeteria, and for HVAC work were not funded in the Board of Selectman's Budget.

This budget represents the sincere efforts of the Pomfret Board of Education to provide for the educational needs of its student population, while adhering to the Board's expectation for high quality educational programming while recognizing the financial needs of this community.

600 Supplies

Instructional Supplies:

The account as originally proposed was based upon staff requests. The largest increase in this account is the increase in graduation supplies to accurately reflect actual costs. Some reductions were made to achieve the required reductions. This is a 1.72% increase from the current account which was reduced last year during the budget reduction process.

Utilities:

The proposed budget is based upon current pricing provided by our vendor. For 2018-2019 heating oil was budgeted at \$2.149 per gallon while the current contract is \$2.449 per gallon. Projected pricing for next year is \$2.289 per gallon. For 2018-2019 diesel fuel was budgeted at \$2.209 per gallon while actual cost is \$2.469 per gallon. Projected pricing for next year is \$2.289 per gallon. Pricing for next year has not yet been locked in. Electricity costs for the current year have increased by \$1,754 to date.

Books & Periodicals

The proposed increase in this account is primarily driven by our need to acquire appropriate grade level material to support the Columbia Teachers College Reading and Writing Project.
