RE: Pomfret Proposed Operating Budget 2022-2023
```

The budget development process began in September with the presentation of the 2022-2023 Budget Development Calendar to the Board of Education. In October, budget preparation documents were distributed to staff for submission by November 15, 2021. All staffing needs were reviewed with the Principal and the Director of Special Education. In December, all budget requests were reviewed by the Superintendent.

The business office developed salary and benefit accounts according to contractual obligations. Insurance calculations are based on an initial quotation from our insurance broker. Maintenance items and utility calculations were also prepared by the business department. I appreciate the efforts of all of our administrators and staff for their hard work and cooperation in the budget development process.

The initial request by administrators and staff reflect their understanding of the economic climate as well as the needs of their students. This budget proposal is also reflective of the demands of quality educational programming and the unique needs of a number of our students.

As a result of the initial budget review process, the Superintendent's Proposed Budget for 2022-2023 is $\$ 10,826,984$ which is a proposed increase of $\$ 460,734$ or $4.44 \%$ over the current year.

The Board of Education conducted Budget Workshops on January 26, 2022 and February 9, 2022. As a result of the Board of Education's review process, the Board of Education reduced the Superintendent's budget by $\mathbf{\$ 1 1 9 , 1 4 1}$ resulting in a Proposed Budget for 2022-2023 of $\mathbf{\$ 1 0 , 7 0 7 , 8 4 3}$ which is an increase of $\$ 341,593$ or $\mathbf{3 . 3 \%}$ over the current year.

There are seven (7) accounts with an increase and three (3) accounts with a decrease of more than $\$ 9,000$. Those accounts are:

Two students enrolled at Putnam High School moved to Pomfret this year adding two tuitions to this account at an anticipated cost of $\$ 24,186$. The 2022-2023 budget has one additional tuition at Killingly High School, two additional tuitions at the Killingly Vocational Agriculture program, one less tuition at Quinebaug Middle College and no change in enrollment at the Capital Theatre for the Arts.

This represents an increase of $7.71 \%$ on the account and increases the entire budget by $0.58 \%$ resulting in an account increase of $\$ 59,838$. The district will continue to work with its broker to seek competitive bids to attempt to reduce this cost.

From 2018 to 2029, the U.S. Department of Education anticipates changes in PK-12 enrollment of $+3.3 \%$ in the South; $+0.9 \%$ in the West, $-1.8 \%$ in the Midwest; and $-2.6 \%$ in the Northeast.
 Although most New England districts are seeing a decline in the number of births, NESDEC's experience indicates that the impact on enrollment varies from one district to the next. Almost half of New England Districts have been growing in PK-12 enrollment, and a similar number are declining (often in rural areas), with the other districts remaining stable.
