

Pomfret Green Team to discuss:

Ordinance on Reducing our Town's Greenhouse Gas Emission By 45%

The Pomfret Green Team is proposing the Town of Pomfret adopt the following ordinance:

Recognizing the climate crisis that is upon us, the town of Pomfret adopts the goal of reducing our greenhouse gas emissions by 45% by 2030. In order to facilitate action in this direction the Town hereby creates a Pomfret Climate Commission of volunteers to work on ways forward.

There will a presentation followed by Q&A on **Monday May 18th at 6:30pm via Zoom.**

If you would like to submit a question or comment beforehand, send an email to PomfretGT@gmail.com and put "Question" in the subject line.

Details for using Zoom:

If you are joining by computer or smartphone you will be able to see the presentation slides and video of the presenters. Microphones and video for other participants will be off. Comments/Questions will be taken at the end. You may enter your comment/question using the Zoom Chat feature.
