

# TOWN-WIDE CLEAN UP DAY

---

## April 17

The Pomfret Green Team is sponsoring a town-wide roadside cleanup the weekend of **April 17**, just in time for Earth Day! The Pomfret Proprietors and the Economic Planning and Development Commission are also supporting this effort and will be out in force to clean up our community.

Choose your own street or one that's in need of a good cleaning or let us give you an assignment; email the Green Team to sign up for a road [pomfretgt@gmail.com](mailto:pomfretgt@gmail.com) or sign up at PCS April 17th. Most importantly, let's make Pomfret look great this spring and for the rest of the year!

**The Green Team will have a table set up at the Pomfret Community School Saturday morning 8 -11 AM to hand out trash bags and orange vests, and we'll mark your chosen street bright green on a map of Pomfret. Don't forget to take a donut for extra energy!**

For those who don't mind a little extra work, we'll have black bags for trash and clear bags for recyclables. Most of the items you'll be finding will be aluminum cans and glass and plastic bottles – so let's fill up those clear bags and give all those recyclable items a second chance.

Please leave your filled bags at a convenient nearby corner, and our Department of Public Works crew will pick them up on Monday morning.

If you happen to find large discarded items, please note the location and call the Town Hall on Monday.

Thanks to everyone for helping out. Don't forget to wear work gloves! And above all, stay safe!!
