

The Town is now hosting on-line meetings via web platform Zoom for Town Boards and Commissions

Covid-19 pandemic orders have affected Town operations, but we are committed to continuing the business conducted by Town Boards and Commissions.

The Town is utilizing the Zoom on-line meeting portal. This will allow us to host meetings via computer video and audio as well as phone. Every meeting agenda posted on our website will have a direct link to the on-line meeting, as well as the phone number should you wish to call in to join the meeting. Find Agendas by clicking the Agendas & Minutes button on the website home page.

By signing up for E-Alerts, you may also subscribe to receive Agendas and Minutes which you are interested. Simply click on the red e-alerts button on the website home page and follow the instructions to subscribe.

Update - How to Access Virtual Board of Finance workshops and meetings

As a result of Executive [Order 7B](#) and starting on April 2, 2020 our Board of Finance budget meetings will be taking place on the virtual meeting platform, Zoom. While we do not know how long this Executive Order will be in place, we are committed to moving forward with the budget process and keeping our schedule close to the normal budget process so we can get tax bills printed and mailed out in a timely manner. Additionally, we are also fully committed to you, our taxpayers, having a voice in this process. Links to attend the virtual meetings will be on all agendas and found on our Town website.

We have posted our budgets online and have a 2020-2021 Budget Survey online to gather comments to assist the Board of Finance in rendering a final budget for the Town.

Please call my office if you have any questions or comments. I welcome your feedback and will try to get answers for any questions you have. Despite these challenging times, be assured the Town will continue to work hard to ensure our town stays strong and stable.

Sincerely,

Maureen Nicholson, First Selectman
