 - 2. Gayle Champagne, 39 Bosworth Road** – NOV issued 5/2/14 for work within the upland review area. This was turned over to the Army Corps of Engineers, but we have not heard anything from them. A caveat has been placed on the land records for this property. Jamie has a call in to Army Corps regarding this issue. Nothing new(10/3/18).

The commission approved this originally for 24 spaces and the encroachment. Jamie spoke with B. Woodis and M. Nicholson. The library is contemplating an expansion. They are waiting to solidify the expansion plan and then they will come back to the commission regarding the parking issues.
- XIII. SUBDIVISIONS APPROVED BY PLANNING AND ZONING:**

XIV. COMPLAINTS/CONCERNS RECEIVED BY THE COMMISSION:

- A. Anonymous concern given to Paul regarding the properties west of Paul's house on Kearney Road. Jamie visited – subject to conservation easement associated with wetlands proper (internal to wetlands/not in upland); send letter to owners regarding any work done within 150' of the wetlands requires a permit. Jamie wrote letters to both landowners to go over the issues on their properties. Jamie has not heard from either of the property owners.

XV. NEW COMPLAINTS: It was mentioned that there is an issue with the farm at the end of Paine Road. There appears to be a camper in the field across from their house (before the tree line). There was a huge tank near it and now the tank seems to be half in the ground. Someone will go out and check it out.
