

Greetings,

I would like to formally introduce myself, my name is Therese Horvath and I am the Client Care Manager at TEEG, as well as the Municipal Agent for the Elderly for Pomfret residents. A Municipal Agent for the Elderly assists town residents ages 60+ by providing information and referrals to local, state, and federal services and benefit programs. Municipal Agents are familiar with programs and benefits such as Medicare, Medicaid, SNAP (Food Stamps), Social Security, protective services, legal services, adult day care, housing, transportation, and local senior and community groups. Many also help to fill out application forms for benefits.

At TEEG, we offer a variety of services including: Food Security (through our onsite food pantry), Senior Services, Choices Counseling (Connecticut Health Insurance Counseling and outreach information eligibility screening), Holiday Support, programming at the Pomfret Senior Center and client care coordination (which allows us to assist clients with SNAP enrollment or renewal, Energy Assistance, Fuel assistance, and any questions about access to services). In addition to the full range of services we offer to senior residents of Pomfret, we also offer programming that is available to all area residents, at no charge. These programs include budgeting, nutrition, education, and tax preparation. If you would like more information about our services, please call TEEG at (860) 923-3458.

It is TEEG's mission to ensure individuals are provided with continuing care coordination services as needed. In order to do this, we follow up with our clients and provide the necessary information and resources to enable them to navigate on their own. In offering this service, our goal is to enrich the lives of people participating in our programs, engage people of all ages, assist them in becoming independent, and encourage them to give back to our community in meaningful ways.
