NOW THEREFORE, for good and valuable consideration, the sufficiency of which is hereby acknowledged, the parties agree as follows:

WITNESSETH:

1. Agreement to Lease. The Town does hereby lease to the Lessee the Premises described in Exhibit A, upon the terms and conditions as herein set forth.

2. Term. This lease shall be for a term commencing as of April 1, 2023 and running to October 31, 2023.

3. Rent. The Lessee shall pay the Town annual rent in the amount of $________, which shall be payable in advance in equal installments of $________; the first being due on 1st of each year, and the second installment of $________, being due and payable on or before 1st of each year during the remaining term of this Lease.

The Lessee shall be entitled to use of those portions of the Premises as are delineated as ‘Lease Area’, on the attached Exhibit A; excluding the use of any existing buildings or other structures located thereon, unless otherwise provided herein; for such agricultural related purposes as set forth and provided in the Lessee’s Plan as approved by the Town. Any substantial changes or modifications in such use by the Lessee will be subject to the review and
written approval by the Town, which will not be unreasonably withheld. The Lessee's use and
enjoyment of the Premises shall be subject to reasonable rights of entry, by authorized Town
personnel, to any buildings or structures on the Premises not subject to this Lease, and for purposes
of inspecting the Premises from time to time. Such entry by the Town will not unreasonably
interfere with the Lessee's agricultural use of the Premises. Access to the Premises shall be subject
to such conditions, if any, as may be set forth in Exhibit C, attached hereto.

5. Agricultural and Environmental Practices. The Lessee covenants and agrees that it
will permit no hazardous or toxic waste, substance, material or matter; as those terms may be

Any improvements or changes to the Premises that are not detailed or described in said Plan will be subject to the written approval of the Town. The Lessee shall not be entitled to any reimbursement from the Town for costs of any improvements made by the Lessee to the Premises, upon expiration or termination of this Lease.

7. Insurance and Indemnification. During the term of this Lease, the Lessee will procure and keep in effect liability and property damage insurance for the benefit of the Town in the sum of One Million ($1,000,000.00) Dollars, and will have the Town named as additional insured party on all such policies. The Lessee hereby agrees to indemnify the Town and hold it harmless from any liability for damages to person or property in or on the premises leased from any cause. Acceptable proof of such insurance shall be furnished to the Town by the Lessee. In the event such insurance lapses or is otherwise not maintained during the term of this lease, the Town may procure the same and any costs incurred by the Town attendant thereto shall be due and payable to the Town, from the Lessee, as additional rent in the month immediately next following written notice of such action from the Town to the Lessee. In addition to the foregoing, the Lessee further agrees to indemnify and reimburse the Town for any expenses incurred in connection with any required remediation or restoration of the Premises that results from the Lessee’s noncompliance with all Lessee responsibilities in connection with the agricultural use of the Premises as herein provided.

In the event of any such default, the Town may, thereafter, and without further demands or notice, re-enter and take possession of the Premises, and such re-entry and taking of possession shall terminate this lease.

8. Waiver of Right after Default. The Lessee acknowledges and agrees that any delay, waiver or omission on the part of the Lessor to exercise any right or power arising upon default by the Lessee in the performance of any obligations as herein set forth shall not be construed to be a waiver of any subsequent default on the part of the Lessee. The Lessee hereby waives issuance of a notice to quit, upon expiration of this lease, pursuant to C.G.S. Sec. 47a-25.

9. Surrender of Premises Upon Expiration. The Lessee shall surrender the Premises upon the expiration of this lease, in the same condition as when the Lessee took possession, and will
